## **CoreMedical Group Launches New Locum Tenens Service Line**

*New service places qualified physicians in contract and permanent opportunities*

Salem, NH—January 2014—CoreMedical Group is proud to announce the launching of its newest service line, Physician Placement.

Physician placement is one of the fastest-growing segments of healthcare and is a natural service line for CoreMedical Group.

“CoreMedical Group has had relationships within the provider community for over 20 years. Locum Tenens gives us another opportunity to assist healthcare professionals in their job search and assist clients with finding the best talent,” said Armand L. Circharo Jr., CEO at CoreMedical Group. “It’s a natural extension of our service offering and we’re looking forward to establishing Core as a national player in this important sector.”

CoreMedical Group's Locum Tenens service line will include physicians in the following specialties:

- Hospital Medicine
- Emergency Medicine
- Family Medicine/Practice
- Internal Medicine
- Urgent Care

CoreMedical Group brings 20 years of healthcare staffing experience and has established relationships with some of the most prestigious hospitals and healthcare facilities in the U.S. The Company has a reputation of providing exceptional customer service and innovative benefits to the marketplace.

CoreMedical Group is a national healthcare staffing company specializing in travel (contract) and permanent placement of nurses, allied health professionals, and physicians throughout the United States.
