Core Staffing Firms Rank Amongst Top 100 Private Companies in NH
CoreMedical Group & CoreInformation Technology featured on Business NH Magazine List

Salem, NH—October 2014—Healthcare and technology staffing companies CoreMedical Group and CoreInformation Technology have landed on *Business NH Magazine's* Top 100 Private Companies List for 2014. The recruiting companies achieved an overall ranking of #40 amongst the list of New Hampshire businesses. This is the third consecutive year and the ninth time Core has earned a spot on the list.

Core provides permanent, travel, and contract services to healthcare and technology companies across the U.S. It also provides career opportunities to nurses, allied health professionals, physicians (Locum Tenens), and technology professionals in all 50 states.

"This is all about our people," says President & CEO Armand L. Circharo, Jr. "The effort put in by the employees of CoreMedical Group and CoreInformation Technology is what led to our success," Circharo said.

"Last year was a challenging year for us in some of our primary service lines," said Monique Ricker, VP. "However we stayed focused and our employees made a solid year out of a tough situation. In fact, our nursing division had its best year ever," she said.

Business NH Magazine determines which companies earn a spot on the 2014 list based on 2013 gross revenue, annual survey results, and growth rates. CoreMedical Group and CoreInformation Technology's annual revenue for 2013 was more than \$70 million.
