

CoreMedical Group Reports First Quarter Results

Salem, NH (June 11, 2007) **CoreMedical Group** announced the Company's financial results for the first quarter of 2007. Results for the quarter ending March 31st, 2007 saw revenues up 40.7% over the same quarter of 2006. "2007 is off to a great start" said CEO Armand L. Circharo, Jr. "Again this year orders are up sharply over last year while quality applicants continue to be harder and harder for healthcare providers to find. Increasingly more and more healthcare institutions are turning to us for help staffing their facilities." said Circharo. "An opportunity that we are leveraging across all of our service lines, travel, local contract, and perm placement."

In 2006 CoreMedical Group's revenues were 41.7% ahead of 2005. The Company achieved its' second consecutive placement on *Staffing Industry Report's* Top 25% Club, one of only three healthcare staffing companies to make the list two years in a row. "As our sales continue to project sharp increases further into 2007 we're very optimistic about achieving another competitive placement on this year's list as well" said V.P. of Sales Monique Ricker. "We're working hard and keeping our fingers crossed" she said.

The Company has also in its' past achieved placements on *Inc. Magazine's* Inc. 500, as well as multiple placements on *Business New Hampshire Magazine's* Top 100 Fastest Growing Private Companies.

CoreMedical Group provides registered and licensed practical nurses, radiologists, and therapists on a travel and permanent basis to hospitals and acute care facilities throughout the United States. The Company operates out of their corporate offices in Salem, NH.
