CoreMedical Group Recognized As One Of New Hampshire's Fastest Growing Companies

Double-digit revenue growth propels CoreMedical Group in BusinessNH Magazine rankings

Salem, New Hampshire – October 1, 2013 – CoreMedical Group, a national provider of healthcare and information technology staffing services, recently announced that the Company has been named to Business NH Magazine's 2013 List of Top 100 Private Companies, moving up the list to number 39 of 100. CoreMedical Group also achieved an overall ranking of 29 of the magazine's list of Fastest Growing Companies, based on average revenue growth between 2010 and 2012.

Armand L. Circharo Jr, CEO of CoreMedical Group commented, "After hitting a wall after the financial collapse in December of 2008 we were able to redirect our marketing efforts for growth, even under such awful circumstances. The financial collapse added a tremendous amount of uncertainty and the hospitals and healthcare providers responded by tightening staffing levels."

Senior VP Monique Ricker stated, "We believe that our sales teams are flexible enough that we can make necessary adjustments quickly. While sales were essentially flat for 2009 we've outgrown the industry each year since. 2012 was a record year for us and 2013 is going to be our best year ever."
