CoreMedical Group Reports Strong First-Quarter Results

Increase in demand for Healthcare and IT professionals drive revenue growth of 18.2%

Salem, New Hampshire – May 18, 2011 – CoreMedical Group, a national provider of healthcare and information technology staffing services, today announced a first-quarter revenue increase of 18.2% for quarter ended March 31, 2011 over the same period in 2010.

“We are seeing double digit revenue growth in all our medical divisions; along with explosive growth within our IT/HIT division; this is a great time to be in staffing” said Armand L. Circharo Jr, CEO at CoreMedical Group. “Our high level of customer service combined with our reputation in the marketplace position us well for future growth. I am very pleased with the results and even more optimistic of what is yet to come.”

About CoreMedical Group

CoreMedical Group is a national healthcare and information technology company specializing in travel (contract) and permanent placement of nursing, allied, IT, and HIT professionals throughout the United States.
