Dear Lynn-Ann and fellow Employees,

Thank you very much for your recent gift of more than one hundred fifteen Birthday Bags with toys to The Wish Project in Lowell. So many of our youngest clients will now have wonderful birthday celebrations. Isn't that what every child wishes for and deserves? Your generosity enabled us to make that happen.

We'd like to share with you what we are privilege to see every day. Close your eyes and picture the joy of those receiving clothing for their children when the season changes, the relief of those who are moving out of homelessness and are receiving beds, dishes, a comfortable couch to fill their new homes, the sheer delight on the faces of children who receive birthday gifts or new back packs with school supplies. Close your eyes and picture the renewed hope of those who thought no one cared.

This is the Gift you give - the Gift of Joy, the Gift of Relief, the Gift of Delight, the Gift of Hope...

Those we help are frequently overwhelmed by the everyday circumstances of their lives. They are so grateful for whatever help we can offer. And, we are so grateful to you for making it possible.
